

## Events and Activities in the university - Interview Situations

Daniel Martínez

Situation	What?	How?	Why?	Who?
1	Students are searching for a concert in the university	They feel stressed and hopeless because don't know where to find the university offer	The offer of university events is not consolidated in one place and it's not easy to find	Students who like concerts and live music but are not from the arts department
2	Professors are promoting an exhibition	They feel excited and overwhelmed about the result of the exhibition	They want to have a great exhibition, but they are afraid that students will not attend due to ignorance	Design professor who are doing an exhibition that they have been planning for 2 years
3	Student wanting to go to a technology conference	He feels sad because he just left in a wheels and in the way home a college told him about the conference that starts in 5 minutes	He didn't check the email inbox with the event info or the web page	Student who likes technology but doesn't often check email
4	Student wanting to have lunch in one of the restaurants of the fopre festival	He feels frustrated because he brought lunch from home	He didn't know about fopre food festival in the university	First semester student who doesn't often check email
